

WHAT ARE PEOPLE SAYING ABOUT SCELL?

"I am impressed with SCELL's professionalism. My first impression of energy level of the facilitator, Dr. Gittens was great and her style was very down to earth and real. The training that the Port's 79 employees will go through is a positive development in their career development and at the same time brings focus with respect to their job and building the Port's Culture.

-Mark Mingo, Port St. Maarten's Chief Executive Officer

"I am returning to say thank you for the impressive investment you made into our lives today. I left with so much and I am truly grateful. I had several managers express similar sentiments. Job well done!!!"

- Shadira Lont, Telem Group
Manager Human Resources & Development

"WIB is extremely pleased to be associated with this very important initiative of USM, given the importance continuing education plays in Human Resources. Our banks middle management has recently benefited from specialized business courses tailored to our needs well executed by SCELL."

- Derek Downes, The Windward Islands Bank Ltd.
Managing Director

"It was a very powerful experience. It helps me to enhance my knowledge more on public speaking. Dr. Gittens was the bomb. Nice presentation."

- Shanna Holaman, St. Maartin Medical Center

"I had a wonderful experience in public speaking session. I am not used to speaking in the public. I had a palpitation when Dr. Natasha called my name to present in front of my classmates. With all the tips and knowledge I've learned, I overcame my nervousness. Thank you very much Dr. Natasha."

- Florderosie Zurita, St. Maartin Medical Center

“Session was very informative but also uplifting a lot of what we already knew but just to actually put more into play. Enjoyed.”
